

Dave Banks joins iTRANS Consulting Inc.

Tyrone Gan, President of iTRANS Consulting Inc. in Richmond Hill, Ontario, is delighted to announce that Dave Banks has joined the iTRANS team as a Senior Consultant. With over 34 years of experience in the transportation industry, Dave is well known throughout the transportation industry and brings to iTRANS a broad range of knowledge in traffic engineering, traffic operations, transportation planning, cycling facility planning and design, and road safety. Dave will be joining Chris Philp, Vice President, Geni Bahar, Vice President, and Ray Bacquie, Vice President to enhance iTRANS as a leader in transportation engineering and road safety across Canada.

In recent years, Dave was responsible for all facets of traffic engineering, traffic control systems, cycling facility planning and design, and road safety reviews for the Region of Waterloo. He was formerly with the Province of Manitoba where he was responsible for the management of all aspects of traffic operations on provincial highways, including traffic signals, illumination, pavement markings, traffic signing including management of the Traffic Sign Shop, and construction traffic control. Prior to joining the Province of Manitoba he was with the Regional Municipality of York responsible for data collection and analysis; traffic by-laws; special studies and short range planning.

Dave is a Past Chair of the Transportation Association of Canada's Traffic Operations & Management Standing Committee and the Road Safety Committee of Ontario.
