

Tomasz Kroman joins iTRANS Consulting Inc.

Tyrone Gan, P.Eng., President of iTRANS Consulting Inc. is pleased to announce that Tomasz Kroman, P.Eng., has joined the iTRANS team as its newest Vice President. With over 25 years of experience in transportation planning, traffic engineering and transportation design, Tomasz will be responsible for leading iTRANS in the development and overall management of our Transportation practice in Alberta. Tomasz will be based out of Calgary – iTRANS’ newest office. He will be working with Tyrone, a former Manager with the City of Calgary Transportation Planning Department, to provide our Alberta clients with the high quality of service, and the Insight, Integrity and Innovation demonstrated by iTRANS on projects across Canada.

Tomasz has been involved in the planning, design and construction of a wide variety of transportation projects throughout Alberta over the years. This includes planning and detail design of urban and rural highways; freeways and interchanges; and parking facilities. Projects have included Functional Planning Studies of Highway 11 through Rocky Mountain House, Highway 9 South of Irricana, Highway 2/Highway 7 Aldersyde Interchange, Cominco Interchange, Shaganappi Trail Extension, Crowchild Trail /Shaganappi Trail Interchange, Whitemud Freeway, Design Project including; Dalhousie Park and Ride Facility, 194 Avenue South/Highway 2 Intersection, Crowchild Trail/Shaganappi Trail Interchange, St Albert Trail, Road Needs Studies, and Traffic Impact Assessments.
