Donna Howes Joins iTRANS Consulting Inc.

Tyrone Gan, President of iTRANS Consulting Inc. is pleased to announce that Donna Howes has joined our Senior Management team as Vice President, responsible for the iTRANS practice in BC.

Donna brings 20 years of experience in transportation planning, engineering, operations, and design in BC, the United Kingdom, and South Africa.

Donna was previously with the District of North Vancouver where she was the Transportation Section Manager. Her responsibilities covered the full spectrum of transportation including planning for all future transportation projects (including new roads, interchanges, traffic signals, traffic calming, cycle routes and trails, and transit facilities); project management of functional and detailed design for roads and signals; implementation of transportation capital projects from detailed design, tender and construction; development of transportation policy and bylaws; traffic operations; and managing the operating budgets and securing capital funds. Her experience in the consulting industry included a broad range of projects varying from local plan development, functional design, transit and highway construction.

Donna is looking forward to serving clients in BC.
